

Reminders While You Are Finalizing Your 2017-18 Course Selection

- **You will select a total of eight courses on your Course Selection Planning Sheet; 6 compulsory courses** (English, Math, Science, French, Geography (Geographie if you are a French Immersion student), Phys. Ed.). You will also select one **1st choice** and one **2nd choice** from **the 4 Art courses** and **either Tech or Food & Nutrition**.
- French Immersion students will **NOT** be taking Phys. Ed. next year but rather will be taking **CHV2OF** and **GLC2OF**. The French Immersion Phys. Ed. is offered in alternating years and will next be offered in **2018-19**.
- **You will need to select your compulsory courses in the appropriate pathways** (Applied, Essential or Academic), with the exception of Physical Education, which is an “Open” level course. Remember to ask your teacher for recommendations for your pathway in the compulsory courses.
- **You will gather more information about the optional courses available for Grade 9 students tonight during the Pathways & Programs tour stops.**
- **Course Selection Planning Sheet is due back to your Grade 8 teacher by Tuesday, February 21st, 2017.** Your T.D.S.S. Guidance Counsellor will be visiting your classroom to input your final course selection with you at www.myblueprint.ca. You will not be allowed to submit your choices online unless you have returned the Planning Sheet with your parent/guardian’s signature. **All T.D.S.S. Course Selection in myBlueprint must be completed by Mar. 3rd, 2017.**
- Remember, you have at least two caring adults willing to help you. Talk to your **parents**, your **teacher** or talk to a **counsellor** at T.D.S.S.!

Call T.D.S.S. at 647-7336, Guidance Office Secretary ext. 40760
